

*“At U.S. Legal Support we are dedicated to customizing solutions that meet the needs of our clients. We focus on creating exceptional client experience, resulting in long term relationships.”*

Lee Ann Watson - Senior Vice President of Sales and Marketing, Southwest Division President

### **U.S. Legal Support's Innovative National Accounts Program Provides:**

- Direct billing
- Leveraged buying power
- Cost reduction, control and management of outside litigation services
- Electronic services which supports green initiatives
- Centralized customer service team
- Effective and immediate rollout, training, consultation and utilization

At U.S. Legal Support, we recognize that in today's business environment, our Corporate, Insurance and Law Firm clients are seeking creative and strategic methods to become more efficient in achieving their business objectives.

We are focused on helping our clients achieve their objectives while reducing costs and streamlining operations. By partnering with our National Accounts Program, you will benefit with the efficiencies of a single source provider dedicated to delivering sustainable cost reduction and optimal operational improvements.

## **Through our streamlined National Accounts Program you will receive:**

- **Dedicated National Accounts Team** with assigned National Director of Business Development, Implementation Manager, Administrative and IT Support Team
- **Improved processes** with web-based centralized scheduling, tracking, delivery and storage of all litigation documents
- **Simplified fee structure** with the ability to allow clients to cost-share on large, multi-party cases
- **Centralized billing** processes designed to reduce administrative time and expense with ability to provide monthly statements
- **Management month-end reports** detailing all service activities with option to be sorted by law firm, file number, location, case name, date, witness name, business units or other requested fields

Our National Accounts Program allows you to customize any and all of U.S. Legal Support's services!
