

REMOTEDEPO™ VIRTUAL BACKGROUND

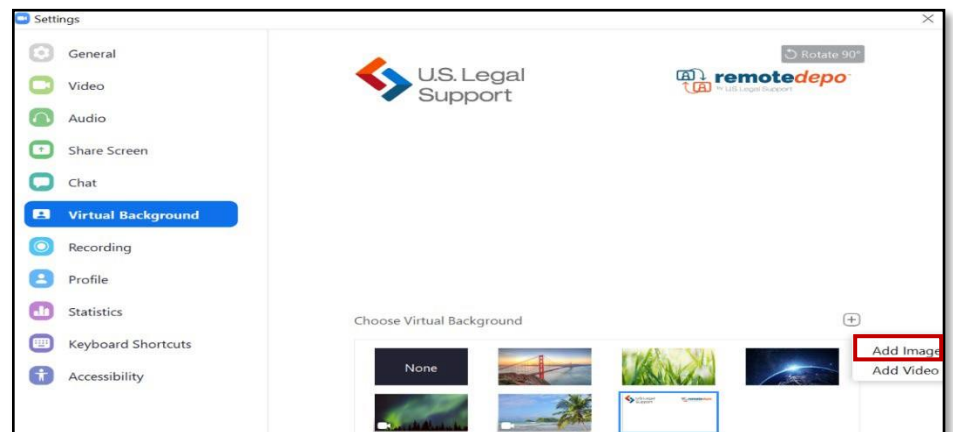

1. Download your U.S. Legal Support virtual background graphic.
 - a. Recommendation is to download to your **desktop** so you can easily locate the graphic when loading into the Zoom Virtual Background menu.
2. In your RemoteDepo session™ on the control menu bar, click on the **^** symbol next to the **Video** icon.
3. Click on **Video Settings...**

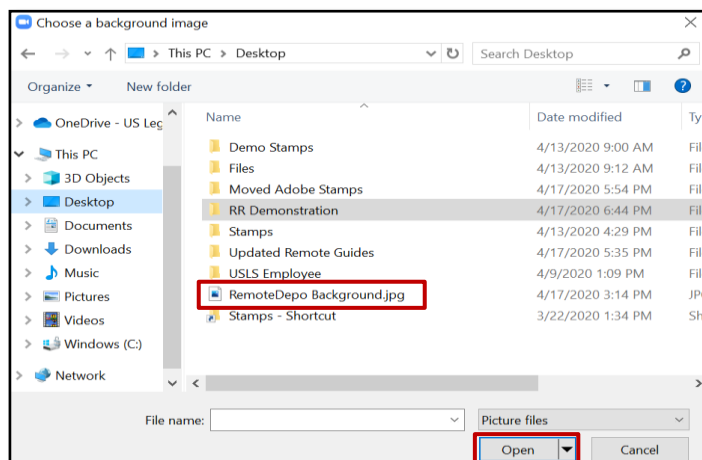

4. The video menu will appear. Choose **Virtual Background** on the left column.
5. To add the U.S. Legal Support graphic, click on the plus symbol **+**

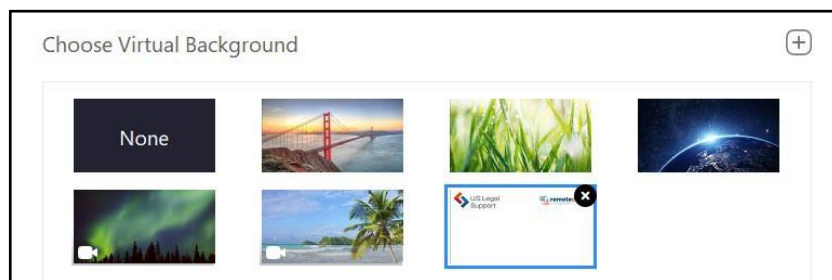

6. Click on **Add Image**.

7. Navigate to your Desktop to locate and select the RemoteDepo Background image.
8. Click **Open**.

9. Your image will load.
10. Click on the "X" to exit the Video Settings menu. Your virtual background is now loaded.
11. To remove virtual background, follow the same steps to access the Virtual Background menu and then choose **None**.

OFF THE RECORD BACKGROUND

In an effort to ensure counsel does not inadvertently resume testimony without the reporter, you can post an "off-the-record" image to your screen on breaks.
