

Professional and Accurate Nationwide Court Reporting Services

When U.S. Legal Support was founded in 1996, court reporting was the foundation of our business. Nearly thirty years later, our clients still entrust us to provide superior, timely, and accurate court reporting services for over **350,000 depositions** each year.

For any legal proceeding – depositions, arbitrations, trials, hearings – U.S. Legal Support can provide an experienced, professional court reporter anywhere in the United States.

- ▶ Access to the largest network of specialized, professional, and experienced court reporters in the United States
- ▶ 12,000 on-demand offices in 2,700 cities across the country for hosting depositions
- ▶ Easy accommodations for in-person, remote, or hybrid proceedings
- ▶ The court reporting methodology choice is yours – we offer stenography, voice writing, and digital reporting services
- ▶ Process serving available - please contact us for more information

✓ Full-Service Deposition Support

Don't scramble for additional deposition resources. When working with U.S. Legal Support for court reporting services, you can also leverage a videographer, a foreign-language interpreter, a digital exhibit storage and management platform, and take advantage of our secure Document Depository for document-intense cases.

✓ Seamless Technology

The backbone of our court reporting services is our secure online client portal which provides clients with 24/7 access to the full scope of information for their deposition: everything from scheduling tools and calendar views to transcripts, exhibits, invoices, and more.

✓ Unparalleled Professionalism

Our court reporting partners adhere to uncompromising standards for transcript quality, and we ensure our reporters follow all proper licensing and qualifications.

✓ Industry-Leading Cybersecurity

Every facet of U.S. Legal Support from our technology to our processes is reinforced by industry-leading SOC 2 Type 2 and HIPAA-compliant cybersecurity measures so you can rest easy knowing your sensitive client information is safe.
