

instant**exhibit+**[™]

Digital exhibit sharing, storage, and management has never been easier

InstantExhibit+[™] is an easy-to-use, web-based repository that provides all permitted parties a simple way to manage exhibits for discovery, stay organized, and collaborate before, during, and after proceedings. Upload exhibits for remote, hybrid, and in-person proceedings with the ability to leverage the platform as a central archive for ongoing, complex, document-intensive matters. No matter the need, InstantExhibit+[™] helps ensure all parties have access to the documents they need when they need them.

- 24/7 online access
- Unlimited parties and users
- Private folders with restricted access
- Shared folders to view introduced exhibits in realtime
- Compatible with all file types and file sizes up to 5 GB
- Easy collaboration with our remote proceeding platforms

Ask us about...

- Our dedicated team that updates and maintains the master exhibit binder for the duration of your case.
- How InstantExhibit+[™] works with our remote platforms to provide a complete exhibit storage, management, and sharing solution.
- How we can provide any other litigation support service you need: from court reporting to record retrieval, trial services, and more. There is no need to work with multiple providers for all your litigation support service needs.

“Thanks to U.S. Legal Support for always being on the cutting edge of technology and court reporting initiatives to ensure a continuum of extraordinary services to the legal industry and to set the gold standard in the court reporting industry.”
