

Trial Exhibits and Legal Graphics to Captivate the Attention of Your Jury

TRANSFORM COMPLEX INFORMATION INTO EDUCATIONAL AND MEMORABLE DEMONSTRATIVE EXHIBITS AND TRIAL GRAPHICS FOR THE COURTROOM

Trial exhibits and legal graphics are used in all types of cases to simplify complex processes and concepts. Our team of Senior Graphic Designers, certified Medical Illustrators, and Forensic Animators at TrialEx understand the unique aspects of presentation in the courtroom and how the right visual aid can make a difference between a juror's understanding and confusion of the evidence. If you can imagine it, our team can create it. Capabilities include:

Animations

Video/Photography

Graphics

Medical Animations and Illustrations

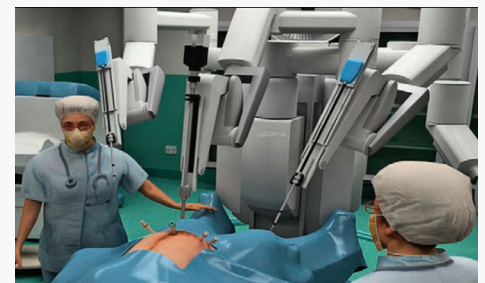

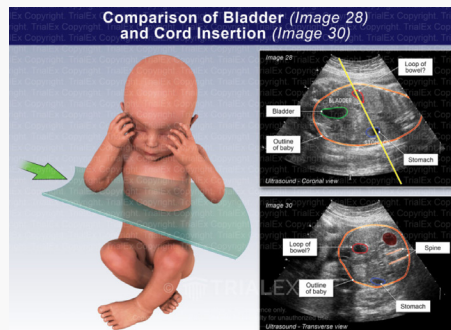

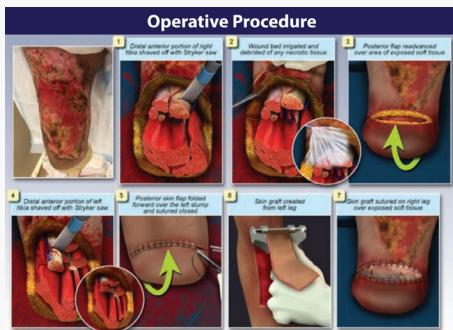

Interactive Exhibits

3D Models
